

## MODULAR I

Create a goldsmith table that meets your exact requirements with "MODULAR I".

The "MODULAR I" table frame combines a clear, functional design with high adaptability. The robust four-legged steel frame, complemented by closed back and side panels, has four hydraulic cylinders inside, each of which can lift up to 150 kg. This mechanism makes it easy to lift the table and its attachments using the electric height adjustment.

Customize your "MODULAR I" table now to suit your personal preferences and make it the perfect fit for you.

## Product information

Product category

Goldsmith tables

## Features
