

MODULAR III

Height rush: The stable and stylish MODULAR III with two-column aluminum table frame can achieve an electric height adjustment range of 400mm with its total lifting capacity of 400kg!

Highly modular design and practicality are the advantages of this MODULAR III series, which is also one of the strongest and most load-bearing table frames in our range.

Product information

Product category	Goldsmith tables

Features

Table frame	T-leg frame made of aluminum with open side view
Height adjustment	Electric
Height	800 - 1,200 mm
Armrests	5D Armrest

Options

Body	anthracite light gray white Beech decor Special request
Technical preparation	Modular technology rail Adapter for task lights Technical back panel Square cable entry Round cable gland Monitor holder Tablet holder Aluminum corner Microscope holder
